

Brief Bio of Carol Bertsch

Carol Bertsch is an elder law attorney serving San Antonio and the surrounding communities. She received her Doctor of Jurisprudence degree from the University of Texas School of Law in 1992. Since opening her practice in 1996, Carol has been a champion of the elderly and disabled – she even makes “house calls” to those unable to get out so they can receive the full benefit of legal counsel. First and foremost, she treats clients with the dignity and respect they deserve, always appreciative of the wonderful tapestry woven by their life experiences. With patience and understanding, she helps her clients plan for the challenges of aging.
